- (11) Ongoing support

What's not included?

- (1) Travel and overnight expenses which will be added at cost

- (3) We charge a 25% supplement for delivery carried out on a Saturday or Sunday

Discounts for organisations with smaller budgets

We work with a wide variety of clients, from large multinationals to tiny charities and vary our rates in recognition that not every organisation has the same amount to spend on consultancy and training. The discount rates shown below are intended for those organisations with small budgets - typically small, voluntary sector organisations or charities.

This document was last updated in November 2011 and applies until further notice. The prices shown are for pieces of work carried out in the United Kingdom - we are always pleased to quote for international assignments.
